

## **Sose International Film Festival 2018 REGULATION**

### **Terms & Conditions**

- Films released after January 1, 2017 are accepted
- Without subtitles, if the film's original language is English
- With English subtitles, if the film is in another language
- Attach the film's dialogue in English to the presented film's application
- Send trailer, poster, screenshots of the film and materials for the catalogue /director's photo and biography, crew info/

The directorate of the film festival encourages international film premieres in Sose International Film Festival's competition and non-competition programs.

### **Preliminary Selection of the films**

- The preliminary selection of the films is done by the special committee composed of international cinematography professionals who are selected by the film festival's directorate. The preliminary selection is done according to the festival's regulations and professional standards.
- After passing the preliminary selection, the film is subject to public screening in the area of the Republic of Armenia in the frame of **Sose International Film Festival**.
- The directorate of **Sose International Film Festival** has the right to cancel the film application if the deadlines and participation terms mentioned in the regulations are violated.
- All rights to the film belong to the film producer.

### **Jury**

The films winning in the competition program nominations are determined by the international jury, the members of which are selected by the film festival's directorate. The film festival's directorate is obligated to also involve producers in the jury cast.

- International jury for feature films
- International jury for short films
- International jury for documentary films
